The screenshot shows a web browser window with the URL <https://portalreg.px.athena.io/selectprovider>. The page header features the **AccessMD URGENT CARE** logo. Below the logo is a [Back](#) link. The main heading is **Choose your provider.**, followed by the text: "Since you're a new patient, we need to match you to a provider at our practice." A note states: "All fields required unless labeled as optional." The form contains the following elements:

- Provider name:** A dropdown menu with "Jillian Gutierrez, FNP-C [Family Medicine]" selected.
- Provider location:** A text field containing "AccessMD Urgent Care - Woodman".
- Not sure who to choose?:** A link for users who are unsure of their provider choice.
- Continue:** A blue button to proceed to the next step.

A red arrow points to the provider selection fields. At the bottom of the page, there is a reCAPTCHA notice: "This site is protected by reCAPTCHA and the Google Privacy Policy and Terms of Service apply." and footer links for "Terms & Conditions", "Website Privacy", and "Accessibility Statement".
